

Air Dehumidifier

EPI 12 is an air dehumidifier that can remove up to 12 liters of water per day, compact, with a matte white finish and attention to detail, easy to use thanks to the touch control panel.

The LED indicator on the front, in three colors, informs you about the humidity level in the room. Environmentally friendly, works with R290 refrigerant.

- Rolling Piston Compressor
- Washable Air Filter, very easy to remove and wash
- Auto Restart after a power failure, keeping settings
- Very silent while in use, only 38dB
- Electronic Hygrostat, modern and useful
- Continuous Draining Option, useful for intensive operation

Technical specifications	
Color	White
Moisture removal (32°C / 90% RH)	12 liters/day
Temperature Range	+5° – +35° C
Digital Display	✓
Inside Drying Function	✓
Refrigerant	R290 - Ozone Friendly
Auto Stop with Water Full Tank Indicator	✓
Dust Filter	✓
Continuous Drainage	✓
Continuous Dehumidification	✓
Auto Restart Function	✓
Integrated Handle	✓
